Dear Ondrej,

I would like to take the opportunity of this letter to confirm the long and strong relationship that exist between our two companies. Since its creation, Gradient has always been using premium quality Skytex fabrics and on behalf of Porcher Sport I would like to thank you very much for that.

We also appreciate very much your outstanding quality standards for which you are today considered among the top producers of paragliders in the world.

As a conclusion I would like to stress that Porcher Sport is proud to be a supplier of Gradient.

Best regards,
